Start at RIT's main entrance (off Jefferson Road) and head south on Lomb Memorial Drive. Enter traffic circle, exiting at the exact opposite end, heading south. Ask for a visitor parking pass at the visitor/security booth (#11 on map).

Loop back to traffic circle and take the third exit off the circle, heading west (towards East River Road). Drive on the main road (Andrews Memorial Drive) to the back of campus, parking in Lot S or U. *Lots are not in alphabetical order.*

If you park in Lot S, walk through Lot R (to the right) to go in the back of the Lowenthal Building, which will be on the right.
